Spring 2019

Dear Law Enforcement, School Official and First Responder:

The Advisory Council of SEPLA is pleased to invite you to attend the 25th Annual SEPLA Conference which will be held at the Comfort Inn & Suites Conference Center in Mt. Pleasant, Michigan from June 18th through June 20th, 2019.

SEPLA is a nonprofit organization formed with the specific objective to provide training and networking opportunities specifically designed for school liaison officers, their supervisors, school principals, administrators and emergency medical and fire first responders.

Our overall purpose is to help schools, law enforcement agencies, school administrators and communities learn to work together and gain expertise in the area of implementing and managing school safety programs. Instruction focuses on the latest innovations, techniques and procedures for establishing, conducting and administering the school liaison program.

This year's conference will be featuring sessions that are tailored to current trends seen in our schools and community.

DAY ONE begins with a facilitated discussion on *Current Trends of School Liaison Officers In School and Community*; followed by *Legal Update* with Inspector Dave Greydanus, MSP, discussing the recent changes in Michigan Law and how it pertains to schools, officers and communities.

DAY TWO is designated as Educator's Day and features keynote speaker, Officer Jermaine Galloway, the Tall Cop. Tall Cop says STOP! "YOU CAN'T STOP WHAT YOU DON'T KNOW", for each person to help prevent youth and adult substance abuse, you MUST know what is going on in your community. Officer Galloway tailors his presentation to each community that he teaches in, and constantly updates his training to keep up with current trends.

DAY THREE will conclude the 2019 SEPLA Conference and will be held off-site for tandem training that will include: *Police Scenario Training*, with several different training scenarios; and *Lockdown Procedures*.

Scheduled activities begin at 8:00 AM on Tuesday and end at 3:30 PM on Thursday. See the online schedule for specific details. Conference fee is \$375.00 which includes classes, student materials, breaks and some meals. Attendees who wish to attend two days of the conference may be accommodated on a limited basis at a cost of \$250.00. For more details, see the enclosed registration information. Participants who attend all registered classes will receive a certificate of completion at the conclusion of their last session.

Deadline for registration is May 31, 2019. Don't miss this opportunity to attend an exceptional program planned around current issues and challenges faced by schools and communities of all sizes.
