TITLE IX

This session provides a legally focused, practical overview of the School Resource Officer's role in Title IX matters. Designed specifically for law enforcement, this training explains how Title IX investigations intersect with criminal investigations, Michigan law, juvenile interviews, search and seizure, mandatory reporting, and information sharing. The session will address challenges officers face when working with school administrators and Title IX coordinators. Officers will leave with clear guidance on what their role is, what it is not, and how to protect students, cases, and themselves from legal liability.
